

Cypress Woods High School Band & NOVA Supporting Marching Season 2025

Dear Community Partner,

The Cypress Woods Band & NOVA Color Guard Program is entering into our 19th year of marching competitions. Funds raised are used to replace aging instruments, invest in improvements sound equipment, new props for the marching show competitions, travels to out-of-town competitions, and support educational programs vital to our success. Our band has advanced to the UIL State Competition FIVE years in a row, and we want to continue that legacy of achievement! We are asking you to consider supporting our students by becoming one of our Marching Season Sponsor or Donor. Your contribution not only benefits our musicians and dancers, but our event is a prime opportunity to highlight your company/organization to our engaged community! NEW for this year we have established a CWBBA Fundraising Homepage (<https://cwhsbn.betterworld.org/>) that we will recognize all sponsorship for the 2025 Marching Season. Another NEW feature this year is we will have our Inaugural Marching Season Program. This full color program will include all the details of the show performance such as music, soloist/ensembles, competition schedule, senior dedication pages, shout outs to students from family, and opportunity to have advertisement for our sponsors!!! Below you will find the details of page size for each advertisement based on sponsorship level. To be included in the 2025 Marching Season Program we will need Sponsorship payment by Friday August 22nd, 2025.

Please support our 2025 *Marching Season* through sponsorship or donation:
